Chairman's Report

Please save the date, Thursday, May 26, 2016, from 6:00 PM to 9:00 PM at the Museum of Flight's Great Gallery. Please see a copy of the 'flyer' elsewhere in this newsletter.

Boeing celebrates its 100th year of operation this year. If you are a retired Boeing employee consider sharing your stories on the Boeing 100 website: <http://theageofaerospace.com/discovery/>.

Bring friends and family to the Above & Beyond exhibit at the Museum of Flight next summer. Stay tuned for announcements at future Bluebills meetings.

Questions? Contact Caroline Maillard, Community Investor/Education, Global Corporate Citizenship, NW Region at caroline.a.maillard@boeing.com.

I recently received an email from Marc Manzo, Campaign Gifts Officer for the Museum of Flight. He wanted to let me know he had learned from Frank Shrontz of the great work being done by the Sno-King Bluebills in our communities. Frank Shrontz is the retired chairman of the Boeing Company, who authorized the start-up of the Boeing Volunteer Program.

Paulette Jacobsen, the Director of RSVP (the Retired Senior Volunteer Program of Snohomish County) of which our organization is a station, would like to offer financial literacy programs to interested citizens throughout the county. I attended a Power Point class recently with Paulette with the intention to "train the trainer" presentation. If you are interested in becoming trainer, please contact Paulette or me. A classroom and all training materials will be provided.

I was recently reading an article in a business magazine that many businesses take advantage of people with little or no knowledge of the true cost of buying a car, furniture, or anything else on credit.

"Use your Management Skills to Help a Non-Profit." Visit the article elsewhere in this newsletter, as well as the email, 501commons.org/engage/VMC to learn more and apply, or contact Juli Forman at Juli@501commons.org. This program is located in King County.

I recently received 'Notice' that the Restoration Center at Paine Field will soon be looking for volunteers. Stay tuned!

For all you veterans out there, the Veterans' One-Stop Resource Center is now open in Lynnwood. There is a flyer elsewhere in this newsletter.

Chairman's Report, continued

The Volunteers of America Food Bank needs a driver to help with the Home Delivery Program. They are looking for someone available on Wednesdays to drop off the food boxes to seniors and disabled folks who can't make it into the food bank. If you are interested in this opportunity, contact Paulette Jacobsen, Director, RSVP of Snohomish County at 425-374-6311.

CLC Report

The **new** central Bluebills brochures are ready (picture). These bi-fold handouts were made through the combined effort of all three chapters, and are a significant improvement over the old brochures which are over a decade old. We have included the Bluebills history, mission and a short description and a few photos from each chapter. The brochure is a introduction to Bluebills for those who have never heard of us. People are directed to the chapter websites for further information.

In our effort to increase exposure (and membership), it is our desire that the current membership pass these brochures out to 'potential' Bluebills we encounter, whether retired or not. Copies are available at regular Sno-King monthly meetings please pick up some.

Veterans One-Stop

VETERANS ONE-STOP RESOURCE CENTER

LYNNWOOD, WA (February, 29, 2016) - Starting tomorrow, Tuesday, March 1, there will be a new Veterans One-Stop Resource Center open in Lynnwood to better serve veterans and their families. The center will be staffed by local professionals available to assist with referrals to Veterans Affairs, medical and employment assistance, career transitions, and even have a cup of coffee with friendly conversations.

The Veterans One-Stop Resource Center will open every Tuesday and the 1st Wednesday of each month from 9am-3pm at the Verdant Community Wellness Center, Madrona Room, located at 4710 196th St SW in Lynnwood.

"The ultimate goal is to make Lynnwood and south Snohomish County a veteran-supportive community," said Mayor Nicola Smith, "we need to be a community that embraces veterans and their families by supporting their needs, connecting them to needed services and honoring their service in our Armed Forces."

For more information, contact Gina Israel in the Executive Office at 425-670-5004 or email gisrael@ci.lynnwood.wa.us.

Background:

The opening of the Veterans One-Stop Resource Center is a result of the passion, commitment, and expertise of 40+ veterans professionals and organizations such as the Snohomish County Human Services, Work Source, Edmonds Community College, the Washington State Department of Veterans Affairs, and many others. The Center's location is provided in partnership by the Verdant Health Commission and is staffed by professionals and volunteers. The Veterans One-Stop Resource Center is a 12-month pilot project to assess the needs and demand of veterans and their families in our community.
