Chairman's Report

It's that time of year again: election of the leaders of our organization for the upcoming year. Remember, this isn't political. We are just looking for a change: new ideas, new energy, new direction. Please contact any of the officers listed in this newsletter if you are interested in any of the leadership positions, or you wish to be on the board of the Central Leadership Committee. We will be passing out blank ballots at the November meeting for those leadership positions.

The month of October ended with back-to-back Recognition events. First up, the Heritage chapter held their event at the Doubletree Hotel, located in South-center. A great celebration with over 130 in attendance. Great company, great food, great entertainment. Next, our event, held October 30th at Shawn O'Donnell's. Included were representatives from a number of the organizations with which we are involved: Volunteers of America; Everett School District; Catholic Community Services, the sponsor of RSVP (Retired Senior Volunteer Program). Paulette Jacobsen, director of the program, for which we are a station, spoke about new guidelines which are being put in place by the federal government as emphasis areas for volunteers to direct their focus.

A special thanks to Stan Shipley and his son, Joel, for putting together the slide show depicting the Bluebills at work performing a variety of volunteer activities throughout the year.

CLC Report

At this time of year, Bluebills elect 4 new **members-at-large** to CLC. Norma Vaughn has encouraged more participation on CLC from both Sno-King and Oly-Pen. In her words:

Elections will take place in November to elect four (4) new members to the Bluebills Central Leadership Council. This is a great opportunity for Bluebills members to say, "I want to help the organization to continue to be a visible force in the community and will gladly give a couple of hours each month to do so." Will you be one who answers this call for more members to step up and help Bluebills?

Candidates from any chapter are eligible to run for CLC. If you would like to be considered, or to suggest someone else from Sno-King, please talk to Bob Krull.
