### Chairman's Report

Our annual picnic at Kasch Park was a great success! No rain, but plenty of wind. This was a good thing for our resident kite builder: Diane Sellinger, our newsletter editor. What a colorful creation! Nice job, Diane. Thanks for sharing.

At our next meeting, an individual from AARP will speak to us about identity fraud. There is no doubt that identity theft has reached epidemic proportions, and the elderly are particularly at risk. Come to this meeting to learn what steps **you** can take to protect yourself.

The Senior Services of Snohomish County is providing a series of seminars at the Carl Gipson Senior Center in Everett, beginning this month. See a list of topics with dates, and the Senior Center address elsewhere in this newsletter

### 2014 Annual Picnic

The picnic was a huge success, held in the picnic shelter at Kasch Park, with approximately forty Bluebills and family in attendance. The weather cooperated in its usual form: overcast and windy! Perhaps we should consider a different time to hold our picnic, such as in July?

The Deviled Egg contest, with several delicious entries, including salmon and crab stuffed eggs, was won by Vivian "Miss Deviled Egg USA" Gale.

A new feature for this year was the Ugly Sweater contest, which drew out several interesting and unusual entries, was won by Stan Shipley, with his Goodwill Special sweater.

Many thanks to Rose Johnson for making the swell prize ribbons for the various categories. They were really beautiful.

The barbecue duties were admirably handled by Chefs Jim Skinner and Jeff Fails, who were presented one of Rose Johnson's very nice ribbons.

### CLC Report

New CLC member-at-large, Janice Hawes, who is in Heritage chapter, showed a very nice quilt made by **Lana Mitsules** (shown below). My understanding is that both are active in **Busy-Bees** which is similar to Sno-King Sew & Sews. Busy-Bees has many projects, including such things as pillow cases for the USO and quilts and dolls for Children's Hospital.

Heritage chapter is still involved in cleaning many surplus Boeing binders for use in Auburn and Federal Way Schools (some were even sent to Mukilteo schools).

Oly-Pen chapter has continued to be busy building **ramps** for disabled people, pictured below. They also reported that they have initiated a backpacks program for the coming school year

### Volunteer Hours

**H**i All,  
It is time to submit your Bluebills volunteer hours for the month of August or any previous month. If you have hours that have not been reported, you may submit those also. Thanks for your input.

## VOA Sorting Party

On August 6, Bluebills participated in the sorting party at Volunteers of America. We sorted the new clothing that came from Eddie Bauer. Basically, we marked out the label name and checked for items that had big holes cut into them or had any other defect. Then we counted the items and repacked the boxes. Those who helped out that day were: Terry Osterberg, John Dvorak, Stan and Jan Shipley, Wes Nielsen, Ted Lee, John Stearman, Patsy Otzen and Rose Johnson. Thank you to all of you.
