Chapter Report

By Don Hilt

It's hard to believe we can almost see summer in the rear view mirror. It's almost gone. Where did the time go? While July and August had more rain than most years -- it was better than having rain every day. At my age, I'm actually grateful for a few cool, gray days when I don't need to water the garden. The end of August also coincides with children going back to school -- so drive carefully. The official end of summer for Phyllis and me is the day we spend at the Puyallup/Western Washington Fair. We haven't missed it in 40 years. Well, we missed it once -- but went, instead, to the Oklahoma State Fair while visiting relatives. Right or wrong, we felt the trip counted toward our string of unbroken fair visits!

Our Office Manager, Norma Vaughn, reports our Bluebills volunteered 8,113 hours for the period January through July of this year. It's not as many volunteer hours as we've had in past years, but still a good number in view of decreasing membership and the increasing age of our members.

The Heritage Chapter is blessed to have a dedicated group of volunteers who chair positions to support our chapter and members. We succeed because of their work and contributions. Here are most of the people working for you. Will you help them by volunteering?

Richard Vaughn, Don Hilt, Doug Hoople -- Co-Chairmen

Norma Vaughn -- Office Manager -- She has managed the office for as long as I can remember.

Jim Beasley -- Speaker Coordinator. Hats off to Jim. Month after month he schedules the most interesting speakers.

Dick Beham and Mary Ulibarri -- Dick and Mary are two busy people. Dick and Mary are Co-Editors of our monthly newsletter; Dick is also our Webmaster and Computer Chairman, resolving computer issues with Boeing. Mary chairs Community Outreach and tracks volunteer hours in the office.

Fran Walker -- Fran, a relative newcomer, handles Agency Relations and is our Volunteer Coordinator.

Marcia Phelps -- Marcia is our Historian and tracks/documents our chapter history.

Fran Parker - Fran, in charge of School Supplies for Children, collects Bluebill donations for school supplies at the beginning of the school year, and contacts public schools to determine their needs. Supplies are then purchased with the donated funds and distributed to the schools. I purchase supplies and assist with distribution.

Janice Hawes -- Janice is chair of the Busy B's. They've been busy making quilts. Some will go to Mary's Place, to Child Haven, and they are looking for other worthy homes for their handiwork. Another project is

making baby hats for the Pediatric Interim Clinic. The group will raffle a quilt at our December meeting. The proceeds will supplement their budget for supplies. They meet on Tuesdays, 10:00 a.m., at the Boeing complex in South Park – and welcome new members.

When you see these chairmen at our meetings, I know they would appreciate a warm “hello” and sincere “thank you” for all they do. Music to their ears would be “I’d like to volunteer.”

Doug Hoople, one of our Co-Chairmen always closes his emails with a quote from Robert Redford: “If you can do more, you should.” They are certainly words to live by!

August Chapter Meeting Recap

By Mary Ulibarri

Co-Chair Don Hilt opened the meeting with the Pledge of Allegiance. In addition to recognizing Howard Syder as the one August birthday in attendance, he also let five July birthday attendees speak up. They were Jerry Durbin, Ted Leyden, Bob Osrowske, Mary Ulibarri and Stu Vessey. And congratulations go to Tom Moberg and his wife who celebrated their 63rd anniversary. There were two new members in attendance – Jerry and Laurie Andre’.

Don turned the mic over to Millard Battles who reported his participation in the Engineers Retirees Society (ERS) meetings. He is a member of the board, called Service Organization, and represents the Bluebills. The ERS has over 900 members and they have quarterly seminars at which Doug Hoople and Don Hilt present BB information encouraging them to join the Bluebills. Dick Beham was instrumental in merging websites with an article explaining all about the Bluebills. And the Bluebills will now be allowed to put a one-page article in the ERS quarterly newsletter. For more information go to <http://www.engineeringretirees.org>.

Richard Vaughn then announced that Nancylee Davidson donated funds to the VFW, where the Bluebills meet each month, in order to pave the 13 spaces of the parking lot. The donation was on behalf of her father and mother, John A. and Alice Bilz. John retired in Las Vegas, home for many years, and lacked three months of working 40 years. He is a WWII Army Vet and spent a short time as a POW. Thank you, Nancy and Mr. & Mrs. Bilz.

Fran Parker reported that a lot of the schools no longer have sponsors, so the Bluebills need to step up and donate on behalf of the Auburn and Federal Way schools. A money jar was passed around to help with this well-deserved effort.

A small circle of friends of Pat Archer told me that she fell recently and hurt her arm. Please keep her in your thoughts for a speedy recovery.

Norma Vaughn reminded everyone to turn in their volunteer hours. Our totals have dropped, so it is important to report all of your volunteer time in order to show our Boeing sponsors our dedication to helping our communities. In the past, totals have previously run around 40,000 hours, but the first seven months of this year is 8,000, a long way from reaching former totals. Very important to report your time.

Don announced that the volunteer recognition event in November will be a pizza lunch. So, keep that in mind and let the office know if you plan to attend. Call or email the office and get your name on that list or no pizza for you. J

Unfortunately, the scheduled speaker Kristine Leander, Executive Director of the Swedish Club of Seattle, was unable to attend the today's meeting. Hopefully, she will be rescheduled for a later date. Therefore, Don concluded the meeting with the door prize.

IR-2019-145, August 22, 2019

WASHINGTON — The Internal Revenue Service and its Security Summit partners today warned taxpayers and tax professionals about a new IRS impersonation scam campaign spreading nationally on email. Remember: the IRS does not send unsolicited emails and never emails taxpayers about the status of refunds.

The IRS this week detected this new scam as taxpayers began notifying phishing@irs.gov about unsolicited emails from IRS imposters. The email subject line may vary, but recent examples use the phrase "Automatic Income Tax Reminder" or "Electronic Tax Return Reminder."

The emails have links that show an IRS.gov-like website with details pretending to be about the taxpayer's refund, electronic return or tax account. The emails contain a "temporary password" or "one-time password" to "access" the files to submit the refund. But when taxpayers try to access these, it turns out to be a malicious file.

"The IRS does not send emails about your tax refund or sensitive financial information," said IRS Commissioner Chuck Rettig. "This latest scheme is yet another reminder that tax scams are a year-round business for thieves. We urge you to be on-guard at all times."

This new scam uses dozens of compromised websites and web addresses that pose as IRS.gov, making it a challenge to shut down. By infecting computers with malware, these imposters may gain control of the taxpayer's computer or secretly download software that tracks every keystroke, eventually giving them passwords to sensitive accounts, such as financial accounts.

The IRS, state tax agencies and the tax industry, which work together in the Security Summit effort, have made progress in their efforts to fight stolen identity refund fraud. But people remain vulnerable to scams by IRS imposters sending fake emails or harrasing phone calls.

The IRS doesn't initiate contact with taxpayers by email, text messages or social media channels to request personal or financial information. This includes requests for PIN numbers, passwords or similar access information for credit cards, banks or other financial accounts.

The IRS also doesn't call to demand immediate payment using a specific payment method such as a prepaid debit card, gift card or wire transfer. Generally, the IRS will first mail a bill to any taxpayer who owes taxes. See [Report Phishing and Online Scams](#) for more details.
