

After eleven years as a member, and four years as Editor of the **FLYER**, I treasure all of our Boeing Retiree volunteering fellowship memories.

I thank you all for the pleasure of allowing me to communicate your many good deeds in the **FLYER**. I have been particularly blessed by all the kind words of encouragement I have received.

I am an advocate of the 'close one door another opens' theory. So, I am now happily passing this 'open door' to the next Editor.

Although this is my letter of resignation, I will always be a Boeing Retiree and a member of the Olympic Peninsula Bluebills. I will look forward to our next meetings at the Bluebill Socials.

Godspeed and Happy Holidays.
