

THE FLYER

Olympic Peninsula Bluebills

APPRECIATION AWARD

RUSS AND SHELLEY ROUSSEAU

This award is presented to Russ and Shelley in recognition of their dedication to the Bluebill goal of helping the less fortunate in our community. Russ and Shelley could always be counted on to support in any way they could: delivering World Vision goods and school supplies, staffing our booths at events and helping with the many projects we have going.

This award is long overdue and well deserved. Thanks to you both for all your contributions and friendship.

CERTIFICATE PRESENTED TO SHELLEY AND RUSS APRIL 2013

Farewell Dear Friend

Russ was a very special Olympic Peninsula Bluebill and a great friend and Volunteer.

He will be deeply missed by all of us.

July 20, 2013

THE FLYER is a monthly Digital Magazine
of the Olympic Peninsula Bluebills. The Bluebills are
a Boeing-supported Retiree and Friends Volunteer Program

AUGUST, 2013

EDITOR: CYNDYANN JOYNER

Our

Bluebill Golf Tournament has come and gone and from the looks of all the golfers with their sunburns it looks like it was hot on the links. It was fun to hear all their stories but I am still not sure why the women's foursome had one man in its group. Oh well. The banquet after the golf was excellent with good stories, great food and good awards. A real thanks to Michael Graham for his usual good work.

Every Bluebill that came to the party should report at least three hours on their Volunteer Hours for July.

In the report that I receive from the Heritage Chapter, Norma Vaughn, Chair of the Central Leadership Council, reported that so far we have reported 88,319 hours with 2,227 Volunteers reporting. The value per hour is at \$22.69 per hour in Washington State which gives a total value of \$2,003,958.11. You can see why it is so important to report all your hours to Jack Hawker each month.

Lets hope August brings more good weather and lots of reported hours.

Chairman, Kenneth Winter

FROM BETTY FAULKNER

Debbie Linner from Dove House requested packaged personal care products for emergency use. We delivered 15 sets, including the urgently needed deodorants and ladies' razors.

This will be an ongoing project with the goal of 25 packages on hand at all times. Any donations of the razors and deodorants would be welcome, and, of course, the usual hotel size soaps, lotions and shampoo & conditioners.

The Jefferson County Master Gardner Grant the Olympic Peninsula Bluebills were awarded in October 2012 is in the final stage. The weeds are pulled, the concrete walkway is set, all of the donated plants are being tended by Sharon Commander, and now we are ready to plant!

**CALLING ALL
GARDENERS**

On Tuesday, July 30, ten Bluebills armed with shovels, trowels, gloves, and a positive attitude planted the vegetation donated by Far Reaches Farm and the Jefferson Master Gardeners at the DOVE HOUSE. A collective 40 hours of time was spent to finish the planting. Thanks to Don Bolen and Fred Spann, a watering system is in place to give the plants a chance to root. Michael Graham delivered pizza to an appreciative work crew.

An appreciative resident came out to give everyone a collective thank you and said that we have no idea how much it means to the residents to sit down and look at the beautiful scenery, feeling safe and secure.

Next steps are to extinguish the rest of the noxious weeds, clear the rest of the area, and plant some low maintenance vegetation. Stay tuned for the next work party.

BACKPACKS FOR KIDS

We need your help

The Boeing Bluebills are working to provide backpacks filled with School supplies for needy children at Chimacum Elementary School.

These children already are in the school free lunch program and also receive sack lunches each weekend. There are about 50 children who are in the program.

If you want to help, take one of the lists of things needed for a grade, buy a backpack and the appropriate supplies and return the filled backpack to the Bay Club or Beach Club. Cost is about \$35.

OR

Make out a check to Bluebills for \$35 and we will do the shopping for you. Drop off the check, or mail it to

The Bluebills
c/o The Bay Club
120 Spinnaker Pl
Port Ludlow, WA 98365
360-437-2208

Indicate on the check that it is for the Kids Backpack Program.

Save the Date!

Mark your calendar for 9th Annual Silent Auction sponsored by the Community Enrichment Alliance will be held at the Bay Club on Saturday, November from 12:00 noon to 7:00 pm. Each year, CEA organizes the Silent Auction and gives money to support the Bluebill Christmas Giving Program. Without their help, the Christmas Giving Program would not be able to make so many Christmas Wishes come true to the Clallum, Jefferson, and Klitsap Counties Domestic Violence and Sexual Assault Program clients. Your support is essential to the success of this program.

This year you can view photos of items online at <http://www.plmga.org/silentauction.htm>. If you see something you like, you can also "buy it now." These new features were created to invite broader participation from the public. Look for more details in the September and October issue of the FLYER and Voice.

Clint Webb paints to benefit Habitat for Humanity

No, he isn't rolling a paint brush on a Habitat wall, but he is giving his time and talents in a unique way. For more than seven years, Clint Webb has been creating beautiful watercolor paintings on commission and selling original works at art shows with 100% of the funds donated to Habitat.

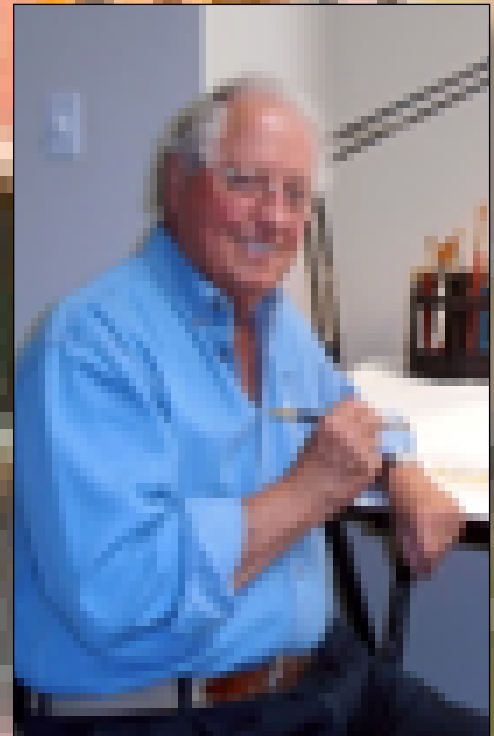

Before retiring in 1993 and settling in Port Ludlow with his wife Pat of 54 years, Clint was an aeronautical engineer with Boeing. For the final 15 years of his career, Clint was involved in a variety of management positions in the development of the B-2 Stealth Bomber.

Clint's love of art followed him throughout his life, but he started following his passion when he retired. "My daughter Julie gave me watercolor equipment and signed me up for classes as my retirement gift," says Clint. "I also was recruited by my good friend Gary O'Neal to help build Habitat homes in Bellevue."

Clint is also a member of the Boeing Bluebills and Port Ludlow

Art League. His wife Pat is a regular volunteer at the Port Townsend Habitat Store.

Both enjoy golf and tennis.
